Starting a Student Chapter

If you are interested in forming a student chapter of SCI at your college or university please contact Dr. Nickitas Demos at Georgia State University (email: ndemos@gsu.edu). Student chapter members receive a \$10 discount on their annual dues, and if the chapter is a recognized club or student organization at its parent institution, the chapter is often eligible to receive university funds in support of its activities.

You can find out more about our student chapters at <http://www.societyofcomposers.org/students/chapters.html>.

It is not necessary to submit this page with your member application.
