John Roeder, David Gompper, Bruno Amato, Ray Chester, and Kristin Gainey

### Sea Fugue (excerpt)

Concrete plaza echoes, jackhammer beats,  
revolving door pushed to a swift change  
in heat. She swims through a current of suits, briefcases  
bump/trigger her alarm. Screech of toner becomes coconut vendor's  
*canto*, offshore rhythm. Terror cycling on the nine to five tide.

Double lines, *to flee, to chase, to fly*; this fugue,  
her mind, slides into riptide  
to terminus of last year's vacation.  
Sudden highrise sound-wash in her cochlear seashell,  
sand grit in the molar cave.  
Revolution, suspension.

She sees those two  
small starfish  
    \*catch\* at air  
    screaming open-handed aria  
        above the wave  
    line and rises to rescue. She did once, she re-does  
again, daily, unasked, unwell. She/dives under/and up, under  
and up. She  
    is in the pitch again  
where no one else  
dives.

She/works a wave/trough  
    function/stoptime photography pushes past/the buoys, persistent  
*Percussion*  
coming closer/scales are changing/  
he is growing child-sized/to man.

$8^{\text{vb}}$

This musical score consists of two staves. The top staff is for the M-S. (Mezzo-Soprano) voice, which starts with a long note followed by a series of eighth notes. The bottom staff is for the Pno. (Piano), showing a continuous eighth-note pattern. The key signature changes between G major (F#), C major (no sharps or flats), and F major (B flat). The time signature is 4/4 throughout. A dynamic marking '8vb' is placed under the piano staff.
