

The SCI Newsletter now features a dedicated submission process for submissions from student members of SCI. This will be a great way to raise awareness for the thoughts, ideas, and activities of our current student members. Submissions may cover a wide array of topics. These include, but are not limited to, interviews, concert reviews, members news, recent projects, blog style entries, opinion pieces, as well as innovative or entrepreneurial pursuits.

Submissions should be between 500-1500 words and sent as Microsoft Word Documents.

Deadlines are on a rolling basis. The sooner a work is submitted, the sooner it might be published.

Submissions, as well as any questions, should be sent directly to Carter Rice at [carterricecomposer@gmail.com](mailto:carterricecomposer@gmail.com)
